This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and cannot be sold in competition with the multitude of low cost, short-weight, alum or phosphate powders. Sold only in cans. ROYAL BAKING POWDER CO., 106 Wall Street New York. ad 1

Mat. McCabe, of New Brunswick, Ill., offers to pay five dollars to any person troubled with bloody flux, who will take Chamberlain's Colic, Cholera and Diarrhoea Remedy according to directions and does not get well in the shortest possible time. One half of a 25 cent bottle of this remedy cured him of bloody flux, after he tried other medicines and the prescriptions of physicians without benefit. Mr. McCabe is perfectly safe in making this offer, as more than a thousand bottles of this remedy are sold each day and it has never been known to fail in any case of colic, cholera morbus, dysentery, diarrhoea or bloody flux, when the plain printed directions were followed. For sale by G. C. Thaxter.

FOR SALE: Eight head of cows and heifers of fine breed, also one Jersey cow with calf. Apply at this office or to J. T. Savage, V. & T. R. R. j 22 1w

**How Can Parents** allow their children to cough and strain and cough and calmly say: "Oh! it's only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by BEGG'S CHERRY COUGH SYRUP? It has no superior and few equals. W. H. Chedic, Druggist.

**Advice to Mothers.** Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays the pain, cures wind colic, and is the best remedy for diarrhoea. Twenty five cents a bottle.

## Card of Thanks.

EDITOR CARSON APPEAL:—I wish to state through your columns that the children of the State Orphans' Home are under many obligations both to the Caledonian Club of Virginia City and to Mr. Treadway for their kind invitation extended to them to attend, free of charge, the Picnic at Treadway's Park, August 10th.

R. H. PARKER.

DISTRICT COURT NOTICE—Judge Rising will hold Court in the District Court Room tomorrow (Wednesday) morning at 9:30 o'clock.

"There is corn in Egypt." Genesis, chapter XLII., v. 2.

This is a phrase in very frequent use, employed to signify a superfluity of any thing. We use it here in reference to the large stock of shoes, groceries, dry goods etc., carried by Olcovich Bros. Bargains in shoes, await the early customer. The stock is complete in every style of desirable foot gear. Come early and often. 20 tf.

## What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nos trumps put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedic, Druggist.

## Mantell.

The distinguished romantic actor, Robert Mantell will positively appear at the Carson Opera House on Tuesday evening next, 13th, in his famous impersonation of D'Enery's romantic hero "Monbars" of which the Philadelphia Press says:

About Mr. Mantell's impersonation of the noble hearted Frenchman, who is made to believe that his wife is poisoning him, there is an impressiveness, a seriousness, a splendid restraint, and artistic completeness and at the same time a personal charm that convince one more than anything else that Mr. Mantell has yet done, that we have on our stage a man from whom great things are to come in time. There is hardly another young actor in the line of serious drama of whom we would predict more with less hesitation than of this actor, who became famous as "Loris Ipanoff."—Philadelphia Press.

## Stephen Girard's Will.

New York, Aug. 5.—The French heirs of Stephen Girard are about to bring suit in Philadelphia to recover property now valued at \$13,000,000, which is held partly in trust by the City of Philadelphia and Mrs. Eugenia Girard and partly by the State of Louisiana. The ground on which the suit is based is the alleged infraction of the terms of Girard's will. The most important provision of the will was that all the revenues accumulating in the hands of the municipal corporation of Philadelphia were to be applied to certain works of embellishment, charity and police organization. Fifty-eight years have elapsed since Girard's death, and, apart from a college which was established only seventeen years after his death, the city of Philadelphia has done nothing to carry out the intentions of the testator. There are about \$2,000,000 of unemployed revenues accumulated. The parties to bring the suit are Miss Henrietta Girard of Philadelphia and Mrs. Devars du Maine of Paris. The former is the niece and the latter the grandniece of Stephen Girard. They are both poor. The suit against Louisiana will be to recover 208,000 acres.

## Spokane Destroyed by Fire.

SPOKANE FALLS, W. T., Aug. 5.—The entire business portion of this city was destroyed by fire last night. The loss is estimated at from thirty to fifty millions of dollars. The burnt area covers about forty blocks. Two lives are known to be lost in the flames, and several have been injured by jumping from windows.

The vain-glorious Canadians seem not to realize that a war with the United States would subject their territory to almost immediate invasion and conquest, no matter what might happen on the seas. Canada is defenseless against such an army as the United States could pour across the border at short notice. But all the talk of war is made for effect. The British Government is much too sensible to provoke any war over the seizure of the Black Diamond, and certainly no good citizen of this country can desire such a conflict, in which the two great English speaking nations would both be obliged to suffer heavily.

In speaking of the G. A. R. reunion at Milwaukee, Commissioner Tanner says: "I have attended seventeen Grand Army reunions. I know of no reason why I should abandon that practice now. At these reunions I have generally met General Black, and the fact that he was Commissioner of Pensions did not prevent him from being present. I do not see why the holding of the same office should place any greater restrictions upon me. At all events, I am going."

People in general should know what's best to do in case of a sudden attack of bowel complaint. It is a well established fact that prompt relief may be had in any case of colic, cholera morbus, dysentery or diarrhoea by giving a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It acts quickly, can always be depended upon and is pleasant to take. For sale by G. C. Thaxter.
